

# Continuous Advances in QCD 2006

May 11 – 14, 2006

## Proceedings Instructions

The size of the paper should be related to the length of your talk as:

40 minutes – 14 pages

20 minutes – 7 pages

The LaTeX 2e style file and a sample file can be obtained from the conference web site:

[http://www.ftpi.umn.edu/qcd\\_06/index\\_qcd\\_06.html](http://www.ftpi.umn.edu/qcd_06/index_qcd_06.html)

The files are included in an archive file, available both in zip or tgz version (according to which operating system you are using). The direct link to download the package is either of

[http://www.ftpi.umn.edu/qcd\\_06/procs.zip](http://www.ftpi.umn.edu/qcd_06/procs.zip)

[http://www.ftpi.umn.edu/qcd\\_06/procs.tgz](http://www.ftpi.umn.edu/qcd_06/procs.tgz)

The workshop proceedings will be published by World Scientific.

\*\*\*\*\*

**The deadline for submission is August 1, 2006**

\*\*\*\*\*

The preferred way of submission is by e-mail to [peloso@physics.umn.edu](mailto:peloso@physics.umn.edu)

Both the original files (figures included) and a final camera-ready postscript file of the paper should be included in the submission. If for any reason you would prefer sending a camera-ready copy by ordinary mail, the address for submission is:

Marco Peloso  
School of Physics and Astronomy  
University of Minnesota  
116 Church Street S.E.  
Minneapolis, MN 55455
